

## Karnataka College of Pharmacy, Bangalore-560064

### Ph.D Research Guides

Name of the PhD scholar	Name of the Department	Name of the guide/s	Title of the thesis	Year of registration of the scholar	Year of award of PhD
<b>Suri C R</b>	Pharmacognosy	<b>Dr. C.Sreedhar</b>	Phytochemical investigation and pharmacological Evaluation of anti-oxidant and anti-diabetic activity of selected medicinal plants.	2021	Persuing
<b>Hareesh AR</b>	Pharmaceutical Analysis	<b>Dr. C.Sreedhar</b>	New Analytical Method Development and Validation of Anti-Diabetic drugs (Remogliflozin Etabonate, Dapagliflozin,Empagliflozin and Ertugliflozin Pidoate) by RP-HPLC in Bulk and Pharmaceutical dosage Form.	2021	Persuing
<b>Ganesh Babu C</b>	Pharmaceutics	<b>Dr. C.Sreedhar</b>	Design, Development and Optimisation of Polymeric Nanoparticles for Oral Cytotoxic Colon Specific Drug Delivery	2019	Persuing
<b>Deepak Kumar Jha</b>	Pharmacology	<b>Dr. Raju Koneri</b>	Phytochemical and Antidiabetic evaluation of root of Momordica Cymbalaria	2016	2021
<b>Suman Samaddar</b>	Pharmacology	<b>Dr. Raju Koneri</b>	Evaluation of neuroprotective action of phytochemicals of Momordica Cymbalaria in diabetic peripheral neuropathy	2012	2017

<b>Rashmi Mathews</b>	Pharmaceutics	<b>Dr. Prakash Rao</b>	Development of Liquid Orals for Sustained Release and Improved Bioavailability of Drugs.	2012	2021
<b>Kadam Shalaka Dinesh</b>	Pharmacognosy	Dr.C.Sreedhar	Isolation, Characterization & pharmacological screening of some Indian medical plants.	2011	Persuing
<b>Sanjay Jegarkal</b>	Pharmacognosy	Dr.C.Sreedhar	Phytochemical investigation and evaluation of antidiabetic activity from Indian medicinal plants	2010	Persuing
<b>Mr. Sandip S. Shelke</b>	Pharmacognosy	Dr.C.Sreedhar	Phytochemical Investigation and Pharmacological Screening of Some Indian Medicinal Plants	2010	Persuing
<b>Geetha Muniyappa</b>	Pharmaceutics	Dr. B. Prakash Rao	Formulation and evaluation of hydrogel nanoparticles of Griseofulvin and Tigecycline	2008	2017
